Adjustable Wheelchair Mount

for iPad and other tablets

PAD-AWM

Securely holds iPad and tablets

Adjustable height and position

Compatible with iPad Air, iPad Mini, iPad (2nd-4th generation), Kindle Fire, Nexus, Galaxy and most other 7-10-inch screen tablets between 6-8.5 inches wide

Comfortably stay connected and use apps with CTA Digital's Adjustable Wheelchair Mount for iPad and Tablets. This sturdy stand is designed to mount to most standard wheelchairs and features a secure adjustable holder designed for 7-10-inch screen tablets between 6-8.5 inches wide, so it can hold any current iPad model, including iPad Air and iPad Mini. It can also easily hold most other tablet lines such as the Kindle Fire, Nexus, Galaxy Tab and Note tablets. The retractable holder locks in place and has special padding to securely grip and protect the tablet. The holder can rotate 360° and is mounted to a height-adjustable stand with multiple joints that can pivot or rotate to get any viewing angle or position needed. The tablet holder also has quick release buttons making the tablet easy to access and remove. Whether you're making video calls or streaming a movie, enjoy a more comfortable experience using your apps with CTA Digital's Adjustable Wheelchair Mount designed for iPad and Tablets.
